

USO Care Package Program

Service Member Request Form

The USO Care Package Program is designed to provide Units with one of two different types of care packages, a Snack Pack and a Toiletry Pack. Both packs are 'desert tan' in color and are constructed with a durable nylon material that has a M.O.L.L.E. system on the back of the pouch for attachment on most military issued gear. The Snack Pack is assembled with a mixture of healthy treats, drink mixes and a collapsible water bottle. The Toiletry Pack comes equipped with a wide range of travel sized hygiene supplies.
